Dear Audrey:

I would like to personally thank you for a job well done with the implementation and follow through necessary to make 1997 another successful year for the New Jersey Chain Division.

This past year brought many challenges.....continued competitive pressure, FDA Regulation uncertainty on the part of your customers, more promotions than every before. The list goes on and on. Through it all, you did a fine job.

1998 will bring unprecedented challenges. Rest assured, we'll work through it all as a team.

Best wishes for happy holidays, and a healthy and successful New Year.

Best Regards,

Nick Kuruc
